

Mezzanine Art Gallery

The Mezzanine Art Gallery at the Queen Elizabeth Theatre has been displaying the work of local artists for over two decades. Every month a new exhibit is presented which spotlights the work of an Emily Carr Institute of Art + Design Alumni. Photography, paintings, sculptures, clay works, original prints, drawings and multi-media installations are offered for the enjoyment of Vancouver Civic Theatre patrons. We invite you to visit the Art Gallery on the Mezzanine level, pre-show or during intermission.

- **ELAINE FOSTER: Main Mezzanine Wall**

The work of Elaine expresses an age-old romantic Bohemian ideal. Inspired by a love of cafe's, bars and nightclubs and their unusual patrons she seeks to portray them in paint. The images of confident, beautiful, slightly eccentric women never cease to inspire the artist and provide her with a limitless medium from which to work.
